Subject: RE: ECN11-621

Linda,

As discussed, the intent here was to add to the DSI folder on Product Specifications only.
At this point, it is NOT worth the effort to add this DSI to all AS 350/355 kits in stock.

David

Subject: ECN11-621

Hi,
Can someone tell me if we have to add this DSI to all kits, the ECN just says to add the product/spec files...??

Thank You,
Linda Lacelle
